

## Vase (*cuvette* "Mahon")

Sèvres Porcelain Manufactory (French, 1756–present)

Sèvres, France, 1757

Soft-paste porcelain (24.91)

HILLWOOD  
ESTATE, MUSEUM & GARDENS

This vase was among the earliest pieces made with the special shade of pink that the Sèvres porcelain factory was known for. Fill the vase with flowers using craft materials you have on hand. Draw, paint, or create flowers from tissue paper, stickers, pipe cleaners, construction paper, or whatever else you'd like!

Learn more about this vase through our [online collection](#).
